Abington — State Sen. John F. Keenan, D-Quincy, and state Rep. Geoff Diehl, R-Whitman, announced the Town of Abington has been awarded a Student Awareness of Fire Education grant of \$5,265 for fiscal 2012.

The S.A.F.E. program strives to educate students on fire safety that successfully decreases the number of fire-related accidents and deaths per year.

"It is an essential program to have within our school system in Abington and the S.A.F.E grant will save the town a lot of money through reduced fire calls," said Keenan.

"Fire education and prevention for our children is so important and I am very glad to know that Abington's Fire Department has been awarded the S.A.F.E. grant," said Diehl. "My two daughters learned the basics of 'Stop, Drop and Roll,' but there is a lot more to know and these funds insure that our kids will be prepared in case of an emergency."
